Honestly, it's no problem. Happy to head out that way, for reals.

My ex's kids live right down the street from GM so I used to run there all the time. Then when I lived in Morrison, I'd stop there for a run on my way home from the Fed Center train station - it was awesome!

Andrew, if something comes up, I can swing by your house on Friday or over the weekend. I have no right to be taking this NEPA training with all that's going on, but I hate to miss the opportunity.

Thanks so much!

Sounds like a plan. I'll make it happen.

I ran a bunch at Green Mountain when I worked at USGS at the Federal Center. Yeah, the mountain bikers can be a bit of a drag.

Hi Andrew, Thursday at 4:00 would be absolutely ideal as long as you promise that it's not an inconvenience for you. Green Mountain is a great place to run (when the mountain bikers aren't on your heels...) If you have an extra second you can check out the new stage out back!

Thanks. I'll send you my PARS write-up by COB today. Things are craaaaazy busy right now - WTF man?!

Hey Holly:

I'm happy to bring it out to you. Gives me an excuse to run on Green Mountain. How does Thursday around 4 work for you? Alternately, I could grab it and bring it home on Tuesday and you could pick it up from here later in the week. Your call.

I'll be around all week so we should be good on timeline for the comments. If you can send me a word copy for review, I'll read through it whenever you get it to me and then either you or I can PDF the final comments for electronic signature. Pretty easy.

## Ex. 6 Personal Privacy (PP)

My bigger concern is getting a signed/scanned letter on ND's draft WQS to ND DEQ by Friday, Oct 23, when the public period ends. I'm hoping to have it finished by Monday and then will send it to you for your review. I haven't done the e-signature thaaang yet but that will probably be the way to go.

Thanks!  
Holly

We are supposed to put it on a master calendar so that Bert can approve two weeks ahead of time. We can try that road, or...

Where do you live? I am happy to pick yours up next week and drop it off, as I'll be in both Tuesday and Thursday.

Hey Andrew, if it's o.k. with you, may I come into the office on Tuesday or Thursday to pick up a NEPA training manual and maybe do some work? I'm not sure what the protocol is.

Also, I hope to have my letter to NDDEQ finalized by Monday so I can send it to you for review. Perhaps when I'm in the office, if the letter is ok I can print it on letterhead, get your signature and scan it and send it to NDDEQ.

Thanks,  
Holly
